

CALL FOR PAPERS

It is our pleasure to announce the 22nd research seminar of the Managing Economic Transition network, which is organized jointly with the European Association for Comparative Economic Studies www.eaces.org.

The research seminar will be hosted by SSEES, University College London on the 5th of December 2008. Prof. Marcus Miller (Dept. of Economics, University of Warwick) kindly agreed to be our keynote speaker for the seminar, discussing "Punishment without crime? Prison as a worker discipline device".

We look forward to receive papers which relate to past or present economic issues of Central Eastern Europe and Central Asia region, both on macro and micro level. Our selection will be primarily based on quality not on a particular choice of topics.

The papers or abstracts should be sent to Jens Hölscher j.holscher@brighton.ac.uk no later than on the 31st of October. The network seminars are free for all, but we do not cover any costs.
